

AUGUST IN SPAIN for teachers

Travel is fatal to prejudice, bigotry, and narrow-mindedness. -Mark Twain

Hello!!! We are MK Educational Services. Our founder, Mary Kay Maas, was to be a Spanish teacher herself until she studied abroad in college and, much to her wonderful family's dismay, fell in love with a Spaniard. She's been there 20 years now and every July and August facilitates "total immersion experiences." In July, we bring Spaniards to America, and in August, Americans to Spain. Calling all Spanish teachers!!! Feeling a little burnt out, a little blah, a little in need of some cultura española? Immerse yourself in Northern Spain's "Paraiso Natural," bypass the tourist traps and live the Spanish life, brushing up on your fluency and making new authentic friendships with a Spanish family for 2-4 weeks.

AUGUST IN SPAIN includes:

- Flights from Chicago-Madrid-Asturias
- Comprehensive Travel and Medical Insurance
- Homestay in a host family, one teacher per family
- Local Host Family Coordinators do weekly check-ins with both teachers and host families and are on call 24/7 if needed.
- Trip to Madrid via high speed train for the last 4 days, including a day trip to Segovia or Toledo.
- Orientation and Materials.
