

# AUGUST IN SPAIN for teachers

**Travel is fatal to prejudice, bigotry, and narrow-mindedness. -Mark Twain**

Hello!!! We are MK Educational Services. Our founder, Mary Kay Maas, was to be a Spanish teacher herself until she studied abroad in college and, much to her wonderful family's dismay, fell in love with a Spaniard. She's been there 14 years now and every July and August facilitates "total immersion experiences." In July, we bring Spaniards to America, and in August, Americans to Spain. Calling all Spanish teachers!!! Feeling a little burnt out, a little blah, a little in need of some cultura española? Immerse yourself in Northern Spain's "Paraiso Natural," bypass the tourist traps and live the Spanish life, brushing up on your fluency and making new authentic friendships with a Spanish family for 3 1/2 weeks. Our dates for 2018 are July 27-August 24.

## **AUGUST IN SPAIN includes:**

- Flights from Chicago-Madrid-Asturias
